

Armonk Baseball League Needs Your Support

Help us complete the Lights
On the IBM Community Park
Fields. Future capital
improvements are being planned
for Clark Field as well.
New dugouts, improved field
drainage, illuminated scoreboard,
and regulation Little League
outfield fences and more.

Our community is very fortunate to have many fields. However with great demand from baseball, soccer, lacrosse, football, adult softball, etc., there just are not enough fields. Several years ago Armonk Baseball League and a few other generous groups and donors contributed the monies to install lights on IBM3. The introduction of night games allowed 2-3 additional sporting events each evening.

Field IBM 2 is partially complete. Completion will cost approx \$70,000. With your help we aim to have the installation completed this year.

Thank you for your generous support,
Armonk Baseball League

**We are a not for profit and volunteer organization. Without your support we could not continue to operate.
Thank you for supporting Armonk Baseball League.**

Donations towards the capital programs can be mailed to;
Armonk Baseball League
PO Box 269
Armonk NY 10504

Credit Card donations are gladly acceptable too.

Please accept my donation to Armonk Baseball League's IBM/Clark Field capital improvements drive
